It's been an extremely busy week at St. Gregory's this week, with so much going on. A particular highlight of the week for me has been the launch of the first stage of Read Write Inc phonics programme across much of the school. It's been wonderful to see how excited both staff and pupils have been about learning and revising their knowledge and strategies for reading using this tried and tested programme.

Thanks to the hard work of staff, we will be ready to launch the second stage of the programme early next week. I will be sending a letter home along with our new Read Write Inc 'Book Bag Books', to explain how you can support with the use of these books.

If you are able, please come along to the meeting on Monday from 3:30pm to 4pm on Monday 16th January, in the school hall. We will

explain the Read Write Inc. programme, how we are teaching phonics and reading and how you can support through reading at home. Miss Hutchinson has kindly offered to look after the children in the Class 3 classroom to support you in attending the meeting.

Our school library has been updated to accommodate all our new books, and I've heard lots of positive comments about how much easier children are finding it to choose great books to get stuck into!

I'm very much looking forward to leading my first celebration assembly here this afternoon. I would love to celebrate any of the pupils'

achievements outside of school, so please send in any certificates,

medals, trophies or similar on Fridays so that we can proudly make a fuss of them!

I hope you all enjoy a wonderful weekend.

Mr. Perry
