## Half-term news

I am deeply proud of what both pupils and staff have achieved at St. Gregory's this half term. None of this could happen without the support of you as parents, and so I want to extend my gratitude to you for your continuing enthusiasm and support towards our school and our pupils' learning.

I wanted to take this opportunity to reiterate and emphasise the key messages sent out in my letters this week.

### School hours

Beginning on Monday 27th February (first day back), school will finish at 3:30pm for all classes. As before, gates are opened and registration starts at 8:45am. Lessons start promptly at 9am, so please aim to arrive for 8:45am wherever possible.

### Extra-curricular clubs

If your child would like to attend one of our new, exciting after-school clubs, please ensure that they return the permission slip on the first day back.

### STAR Day

We're looking forward to welcoming you into school on Friday 3rd March. Please come and join your child to look through their books together, to celebrate their hard work and discuss their learning.

### Parent-Teacher Meetings

These will take place on Monday 6th March. The appointment booking system will 'go live' at 6pm on Monday 27th March and will close at 1pm on Friday 3rd March.

I hope you have a restful half-term break.

## Birthdays this week & over half term

## SPORTS, CLASS & OTHER NEWS

### Class One

In maths we have been learning about estimating which means guessing numbers.

In Geography we are learning about countries of the United Kingdom. Our capital city is London.

Our class book this week is *Billy and the Pirates*. Mrs Henderson and Mrs Crook is reading this to us. We really like it!

By Blaize S & Roman B

### Class Three

We have been writing traditional stories about fairy tales.

In science we made 3D bugs out of cardboard and painting them.

In Geography we have been making leaflets about stopping pollution before its too late. In maths we are multiplying decimals and adding and subtracting decimals.

In RE we have been looking at different parables like the take of the 3 little pigs.

By Elouisa O & Ellis H

### Class Two

We watched Matilda at All Hallows on Monday which was shorter than we expected but was a really good show.

In English we wrote a letter to our Dad as Olivia who is a character from our story *Escape from Pompeii*.

In maths we are measuring perimeter. We counted the squares around the shape. Each square measure 1 cm.
