## Maths Curriculum Map

We use the White Rose materials for the small steps in our Maths curriculum. The images below show a visualisation of the approximate timing envisaged for each area of Maths. We use the White Rose 'Flashback 4' materials to bridge back to prior learning, to ensure that pupils have sufficient opportunities to practise what they've previously learnt.

Please note that the timings suggested below are approximate and may change to meet the learning needs of the pupils in each class.

### Year 1
