### Recycling Collection

#### WHAT WE WILL ACCEPT

#### WHAT WE WON'T ACCEPT

In addition, they will also accept soft toys, but they DO NOT accept curtains, bedding or towels.

## Birthdays this week

Matilda McDonald

As this term draws to a close, it's a good time to reflect on the busyness of the past 2 half terms and to reflect on things we're grateful for.

I am grateful to all the pupils for welcoming me to the school and for the politeness they've shown. Every day I have the pleasure of seeing kindness, friendship, enthusiasm to learn and determination to succeed throughout the school.

I am extremely grateful to the staff of our school for their hard work in welcoming and implementing the many changes which we've needed to make in order to support our school improvement journey. We have developed a full curriculum for our school and implemented a clear timetable across all classes, to ensure that we are clear on what pupils need to learn and when. I have been so proud of the extra-curricular clubs which we've held through this half term—thank you to staff for your time and enthusiasm.

I am grateful to the support shown by parents/carers in completing the online parent questionnaire. A key point of feedback is that many would like to know more about what their children are learning in school. I am pleased to attach our School Curriculum Map, which sets out an overview of what will be taught in each class for the rest of the year. If you'd like further detail about any of the subjects, please see extensive details on our curriculum progression webpage [here](#) and on our EYFS page [here](#). In addition, thank you to parents/carers for your support in other areas: home reading, attending celebration assemblies among others.

Thank you also to the governors and volunteers who make such a positive difference to the school through your support, time and kindness.

I'd like to take this opportunity to wish you all a very Happy Easter. We can't wait to see you for the Summer term!

## CLASS ATTENDANCE THIS WEEK

|         | Attendance | Lateness |
|---------|------------|----------|
| Class 1 | 98.6%      | 3        |
| Class 2 | 91.1%      | 3        |
| Class 3 | 100%       | 0        |

THIS WEEK CLASS THREE ARE  
THE "SUPADUPAS"

**Clothes recycling collection—Thursday 20th April**

**We will be celebrating St George's Day on Friday 21st April—wear something red/white—themed lunch on the day—menu to follow**

## SPORTS, CLASS & OTHER NEWS

### Class One

In English we are writing stories about Pirates.

In science we are learning about recycling and we need to do this to make every animal safe. We are learning about land, air and water pollution.

In maths we are learning about money and making numbers using pounds and pence.

By Leila C & Matilda McD

St Gregory's Catholic Primary School  
PTA  
SMARTIES CHALLENGE

Now that Lent is nearly over, here's a little treat for being so good.

Step 1 - eat your Smarties (yum!)

Step 2 - keep the empty tube

Step 3 - fill the tube with silver coins

Step 4 - return the coin-filled tube after Easter and we'll collect the lot!

There's even a prize for the House that collect the most money!

### Class Three

In maths we are learning line graphs, area and perimeter. Most of this week have been doing mock sats.

In English we are learning about Charles Darwin who is the man who discovered evolution and went to the Galapagos island and studied finches.

In DT we made Aboriginal house models using paper, straw and tape.

By Martha B & Tom C

### Class Two

We are continuing our work about Krakatoa in Indonesia and writing our own descriptive stories. In maths we are learning fractions.

In geography we are learning about the South West of England, we are looking at the beaches of Cornwall.

In DT we are sewing stone age jackets for our teddy bears.
