Birthdays this week

Matthew Kyle & Bruno Alexander

As you know we have had our first Ofsted monitoring visit this week- Jackie Stillings, HMI, visited the school on Wednesday and Thursday to evaluate the progress the school has made since the last Inspection in February 2022. As you know the school has experienced disruption and much change during this time. This is her first visit and there will be further similar visits to track and support our progress out of Special Measures. I must take this opportunity to thank you all for the very supportive and positive parent views expressed and thank all staff and children for their contributions and hard work- the children were their usually marvelous selves. They are truly wonderful, kind and caring children and a credit to you all.
