This Anti-Bullying Week,  
let's come together and reach out  
to stop bullying.

**REACH  
OUT**

Monday 14<sup>th</sup> to  
Friday 18<sup>th</sup> November  
#AntiBullyingWeek  
#ReachOut

First of all, may I take this opportunity to congratulate Mrs Lisa Crook, who has taken up the post of Acting Deputy headteacher at St Gregory's with immediate effect. Mrs Crook has such a long association with St Gregory's and her experience has already become invaluable.

Following on from last weeks Ofsted monitoring visit, I wanted to let you know when you will hear more about the outcome. Monitoring visits have many similarities to full Inspections but we don't change grades as a result and it is more of a developmental process to support the schools journey. We will receive a letter, towards the end of November, which will indicate the progress the school is making since the last Inspection in February 2022. We will of course forward this to you when it is available.

Following this we have organised a Parents forum for Thursday 8<sup>th</sup> December at 6pm- which will give you further information about the schools next steps and where we are, in connection to the Academy process, and provide an opportunity for you to ask questions and receive clarification. The Local Authority will be once again be in attendance.

**My Happy Mind: reminder for children to wear odd socks on Monday 14th November 2022.**

## SPORTS, CLASS & OTHER NEWS

### Class One

We have been learning the letter diagraph 'SS' in phonics. Today we are writing words with SS and S in and when we use each one. One S at the beginning of a word and SS is used sometimes in the middle but always at the end of a word.

We are learning about Owls in literacy and we are writing stories about them.

By Roman B & Emelia F

### Class Three

This week we have been learning about Alexander the Great in our Ancient Greece topic and we made a big poster and fact file of him in our books.

In literacy we are writing sentences with modal verbs about our book Can we save the Tiger.

In maths we are learning fractions.

By Tom C & Edward C

In literacy we have been writing sentences using modal verbs about our book Leon and the place between.

In maths we are learning about common multiples.

In computing we were making messages to send to another class table representing the router and switch and all the messages you send and how it connects. We gave messages to each other using Daniel as the router and switch.
